

Holy Family Manor COVID-19 Update 6-26-2020

Dear Family and Friends of Holy Family Manor and Grace Mansion Personal Care,

I hope that you have been enjoying the beautiful and sunny June days that we have been blessed with over the past week! I am pleased to report that earlier this week the Pennsylvania Department of Health's Division of Long Term Care conducted a rigorous evaluation of our infection control practices and processes. Holy Family Manor exceeded all the requirements and is in full compliance with all infection control regulations. I am proud of the ongoing efforts of our team to keep our facility clean and safe for our residents.

Holy Family Manor is making excellent progress against COVID-19. We continue to see a decline in resident cases. The Pavilion, Grace Mansion, and McShea North remain COVID-19 free. Here is the full breakdown of COVID-19 cases:

Current number of resident cases: 9 Current number of resident deaths: 7 Current number of staff cases: 22

We have had a great response from families who have scheduled brief outdoor visits with residents. Please contact Carol McCandless, Asst. Director of Life Enrichment, at 610-865-5595, X 549 if you would like to schedule a visit with your loved one. We are maintaining strict protocols for the visits in order to keep our residents safe. We appreciate your understanding and patience as we enter the Green Phase and follow all guidance from the CDC and Pennsylvania Department of Health.

If you have not yet been added to our email distribution list, please send your name and email address to cmccandless@holyfamilysl.org. We encourage you to be added to the email list, since you will receive updates sooner.

Thank you again for your continued support and prayers!

Have a wonderful weekend!

Sincerely Yours in Christ,

**Joseph Shadid, RN, MSN, MBA, NHA, PCA
Chief Executive Officer**
