Dear Family and Friends,

I am pleased to be writing to you with good news. Holy Family Senior Living is now COVID-free! Our last resident recovering from COVID-19 has tested negative after two consecutive tests. There are no other resident infections in Holy Family Manor or Grace Mansion Personal Care. We are grateful to all our residents and staff for their diligence in following all infection control measures.

We have had several families participating in patio visits with their loved ones. We will continue these to ensure the safety of everyone – residents, staff, and family members. As we continue to monitor the spread of COVID-19 in Pennsylvania and surrounding states, we are following all recommendations from the Centers for Disease Control and PA Department of Health on best practices for senior living facilities regarding reopening our buildings to visitors. Further guidance will be communicated to you when it is safe to reopen.

I would like to express my sincere thanks to you for your prayers and messages of support over the past six months, as we addressed the challenges of COVID-19. God bless you!

With deepest gratitude and prayers for your health and safety,
