

Holy Family Manor COVID-19 Update 10-1-2020

Dear Family and Friends of Holy Family Manor and Grace Mansion Personal Care,

Greetings,

I am writing to provide you with an update on COVID-19 infections at Holy Family Senior Living. Since my last update of September 22, 2020, there are no additional infections to report. Testing has been performed throughout the entire facility. All infection control measures remain in force.

The current COVID-19 positive count remains at one resident and two staff members. The staff members are asymptomatic and quarantining at home. Our resident who tested positive is recovering in our isolation unit.

Out of an abundance of caution, we will continue to pause all visits to Holy Family Senior Living to keep our residents safe. We will also continue to provide a weekly update to you so that you can remain apprised of any future changes to the visitation policy.

Please contact Rose Lance, Director of Life Enrichment, at 610-865-5595, X 522 if you would like to schedule a virtual visit with your loved one using Facetime, or another application.

If you have not yet been added to our email distribution list, please send your name and email address rlance@HolyfamilySL.org. We encourage you to be added to the email list, since you will receive updates sooner.

Our survey through the Department of Health went exceptionally well. I commend the staff for their continued excellent care of our residents. Thank you for your continued prayers and support. Enjoy the fall weather in store for the weekend!

Sincerely Yours in Christ,

Joseph Shadid, RN, MSN, MBA, NHA, PCA
Chief Executive Officer
