Holy Family Manor COVID-19 Update 10-23-2020

Dear Family and Friends of Holy Family Manor and Grace Mansion Personal Care,

Greetings!

I am writing to provide you with an update on COVID-19 infections at Holy Family Senior Living. Since my last update of October 8, 2020, one staff member has tested positive. The staff member is in quarantine at home.

We do not currently have any residents positive for COVID-19 in our facility. In line with following our infection control measures, we will be conducting testing throughout the facility to ensure there are no other positive cases among residents and staff.

All visitation to the facility will be paused for at least 14 days. We will provide a weekly update to you so that you can remain apprised of any future changes to the visitation policy.

Please contact Carol McCandless, Assistant Director of Life Enrichment, at 610-865-5595, X 549 if you would like to schedule a virtual visit with your loved one using Facetime, or another application.

If you have not yet been added to our email distribution list, please send your name and email address to cmccandless@HolyfamilySL.org. We encourage you to be added to the email list, since you will receive updates sooner.

Now that we are in flu season, and still dealing with COVID-19 in our communities, it is imperative for us to remain vigilant with infection control. Please be safe and well as we approach the holidays.

Remember to get your flu shots!

Thank you for your continued prayers and support.

Sincerely Yours in Christ,
