

Holy Family Manor COVID-19 Update 10-8-2020

Dear Family and Friends of Holy Family Manor and Grace Mansion Personal Care,

Greetings!

I am writing to provide you with an update on COVID-19 infections at Holy Family Senior Living. Since my last update of October 1, 2020, there are no additional infections to report. The resident who tested positive for COVID has recovered.

Now that our facility is COVID-free once again, we will continue our vigilance with testing and monitoring of residents and staff. October starts flu season, so we must remain cautious and keep our residents safe.

Current COVID-19 Status:

We do not currently have any residents positive for COVID-19. One staff member remains in home quarantine, while the other has recovered.

At this time we are going to continue the pause in visitation to the facility. We will provide a weekly update to you so that you can remain apprised of any future changes to the visitation policy.

Please contact Rose Lance, Director of Life Enrichment, at 610-865-5595, X 522 if you would like to schedule a virtual visit with your loved one using Facetime, or another application.

If you have not yet been added to our email distribution list, please send your name and email address rlance@HolyfamilySL.org. We encourage you to be added to the email list, since you will receive updates sooner.

Thank you for your continued prayers and support.

Sincerely Yours in Christ,

**Joseph Shadid, RN, MSN, MBA, NHA, PCA
Chief Executive Officer**
