

## Holy Family Manor COVID-19 Update 11-21-2020

Dear Family and Friends of Holy Family Manor and Grace Mansion Personal Care,

Greetings!

I am writing to provide you with an update on COVID-19 infections at Holy Family Senior Living. We have had one staff member test positive for COVID 19. The staff member is in quarantine at home.

We do not currently have any residents positive for COVID-19 in our facility.

All visitation to the facility will continue to be paused for at least 14 days as we continue with testing for additional asymptomatic/presymptomatic cases. We will continue to provide updates to you as new information becomes available so that you can remain apprised of any future changes to our COVID status and/or to the visitation policy.

Please contact Carol McCandless, Assistant Director of Life Enrichment, at 610-865-5595, X 549 if you would like to schedule a virtual visit with your loved one using Facetime, or another application. Please know that we do have plans in place to accommodate socially distanced, in person visits once we enter stage 1 of our Reopening Plan (posted on our website for your review). We look forward to the day we can welcome you back safely and pray it will be soon.

If you have not yet been added to our email distribution list, please send your name and email address to [cmccandless@holyfamilysl.org](mailto:cmccandless@holyfamilysl.org). We encourage you to be added to the email list, so you will receive updates sooner.

Now that we are in flu season, and still dealing with COVID-19 in our communities, it is imperative for us to remain vigilant with infection control. Please be safe and well as we approach the holidays.

Remember to get your flu shots!

Thank you for your continued prayers and support.

Sincerely Yours in Christ,

Susan Regalis, NHA  
Administrator
