

Holy Family Manor COVID-19 Update 01-08-2021

Dear Family and Friends of Holy Family Manor and Grace Mansion Personal Care,

I am writing to share our current information on our COVID-19 status.

Current number of resident cases: 33 (3 from Grace Mansion PC and 30 from Holy Family Manor)

Current number of staff cases: 20

On 1/5/21, Holy Family Manor began vaccinating all eligible residents and staff for COVID – 19. There are additional vaccination clinics being scheduled throughout the months of January and February 2021. We are happy to see many of our residents and staff recovering from COVID-19.

All positive residents are residing on our COVID-19 Isolation Units. We continue to have adequate staff and Personal Protective Equipment at this time. We continue to test and follow stringent infection control protocols and CDC Guidelines. We will continue to keep you informed of any further positive cases. Please understand that if your loved one has experienced a recent room change due to COVID-19, or recovery from COVID-19, that their regularly scheduled video visit day/time may be changed. Life Enrichment will be reaching out to those that need to be rescheduled to coordinate an available new date/time. We thank you in advance for your patients and understanding.

Please contact Carol McCandless, Assistant Director of Life Enrichment, at 610-865-5595, X 549 if you would like to schedule a virtual visit with your loved one using Facetime, or another application.

If you have not yet been added to our email distribution list, please send your name and email address to cmccandless@holyfamilysl.org. We encourage you to be added to the email list, so you will receive updates sooner.

Your messages of support are greatly appreciated! We ask Christ to bring health to our community. Please keep our residents and staff in your prayers as we continue to navigate through the challenges of this world wide pandemic.

Sincerely Yours in Christ,

**Susan Regalis, NHA
Administrator**
