

### **Holy Family Senior Living COVID-19 Update 4/06/2021**

**Dear Family and Friends of Holy Family Manor and Grace Mansion Personal Care,**

I am writing to provide you with an update on the COVID-19 status at Holy Family Senior Living. Holy Family Senior Living has one (1) new COVID-19 positive resident who was moved to our COVID-19 isolation unit. Holy Family LTC pavilion and Grace Mansion remain free of COVID-19. There are no positive employees at this time.

Visitation is currently on hold while we complete full facility COVID-19 testing and contact tracing with surveillance. Please refer to our website at [www.holyfamilysl.org](http://www.holyfamilysl.org) for additional information on our Reopening Plan, Rules for Visitating Residents, and Guidelines for Exchange of Seasonal Clothes/Items.

Holy Family Senior Living has held eight (8) Vaccine Clinics. We have partnered with Phoebe Pharmacy who is now offering COVID-19 vaccination clinics at Holy Family Manor for our residents and staff on an ongoing basis.

Life Enrichment continues to schedule virtual visits with your loved ones. Please contact Ashley Koren, at 610-865-5595, X 522 to schedule a virtual visit with your loved one using Facetime or another application. Please send your name and email address to [akoren@holylfamilysl.org](mailto:akoren@holylfamilysl.org) to be added to our email distribution list.

The county positivity rate of COVID-19 is rising once again. It is imperative for everyone to remain vigilant with infection control practices. Everyone is also encouraged to get your COVID-19 Vaccine.

Thank you for your continued prayers and support.

Sincerely Yours in Christ,

**Susan Regalis, NHA**
